PART 48 - VALUE ENGINEERING

SUBPART 48.1 - POLICIES AND PROCEDURES

48.101 General.

(S-90) When a contracting officer receives a Value Engineering Change Proposal (VECP) from the contractor, the contracting officer shall:

- (1) Provide courtesy copies to the Program Manager (PM) and the DISA VE Office.
- (2) Acknowledge receipt within 5 business days and contact the PMO and DISA VE Office to begin evaluation.
 - (i) PM and VE Senior Management Official (SMO) shall convene within 15 business days to select evaluation team members.
 - (ii) VECP Evaluation team shall first convene within 10 business days, with subsequent meetings as required, to evaluate the VECP.
 - (iii) PM and VECP Evaluation Team will approve (or reject) VECP and notify KO and VE SMO within 3 business days of decision action.

(3) If approved, the contracting officer notifies contractor and issues a contract modification.

(4) If VECP is not approved, the contracting officer notifies the contractor in writing with an explanation of why the VECP was not considered to be viable.
