Part 2943 Contract Modifications

Subpart 2943.2 Change Orders

2943.205 Contract clauses.

HCAAs may establish procedures, or office policies, when appropriate for authorizing the contracting officer to vary the 30-day period for submission of adjustment proposals to the clauses prescribed by [FAR 43.205](#).

Subpart 2943.3 Forms

2943.301 Use of forms.

(a) [FAR 43.301](#)(a)(1)(vi) requires the use of Standard Form 30 (SF-30) to execute any obligation or deobligation of contract funds after award. [FAR 13.307](#)(c)(3) allows, and the Department of Labor prefers, the use of the SF-30 for simplified acquisitions. The SF-30 also must be used to deobligate funds when effecting contract closeout when obligated funds exceed the final contract costs. In such an instance, the SF-30 may be issued as an administrative modification on a unilateral basis if the contractor's financial release has been separately obtained.

(b) The contracting officer must include, in any unilateral contract modification issued for contract closeout, a statement that the contractor has signed a release of claims and indicate the date the release of claims was signed by the contractor.
